Dear [redacted]

Just a quick note to close out the file. Having received no redactions or other written correspondence regarding the publisher's galley for Class 11 submitted on 29 December 2005, we have finalized the manuscript for publication in April. Per [redacted] 1 September 2004 letter of the Board (b)(3) CIAAct original review of the manuscript, I will provide a copy of the finished book to the PRB for your (b)(6) collection.

I would like to once again thank all the past and present members of the Board who worked this project over these past two years.

Best, (b)(6)

Thomas Waters Jr.
